

## ADDENDUM #2

RFP-2021-DBH-05-TECHN

### Technical Assistance and Training for Children's Behavioral Health Evidence Based Practices

On April 1st, the New Hampshire Department of Health and Human Services published a Request for Proposals, soliciting for the provision of technical assistance (TA) for, and training on, and assessments of evidence-based practices implemented by providers of children's behavioral health services and a model for treatment of First Episode Psychosis (FEP)/Early serious Mental Illness (ESMI).

The Department is publishing this addendum to:

**1. Modify Section 1, Introduction, Subsection 1.2, Request for Proposal Terminology, to add:**

**Clearinghouse of Information:** An agency or organization that collects and disseminates information. Used interchangeably with "repository of information."

**Quality Assurance Assessments:** Quality assurance assessments by the Department include reports and results stemming from any onsite, quality assurance reviews that the Department conducts including Evidence Based Practice fidelity reviews.

**Children's Behavioral Health System:** Bureaus and Divisions within the Department of Health and Human Services that provide services to children as listed in RSA 135-F and contracted providers serving children.

**2. Delete and replace Section 7, Proposal Outline and Requirements, Subsection 7.2, Outline and Detail, Paragraph 7.2.12, Required Attachments, Subparagraph 7.2.12.1, Item 7.2.12.1.1 with the following:**

7.2.12.1.1 Appendix B-Contract Monitoring Provisions

**3. Modify Section 4, Finance, Subsection 4.1, Financial Standards, to add:**

4.1.3. Funding for the resulting contract is anticipated to be available in the amount of \$3,600,000 as referenced by State Fiscal Year in the chart below; however, this amount is approximate and may be increased or decreased to meet the needs of the Department.
